We support visionary police chiefs to achieve breakthroughs in their agencies and communities through transformational change

With a proven strategic approach to transformation and leadership development that can enable systemic change

"Being First provided us with the catalyst with which we jump-started our Allied Command Transformation's approach to our transformational journey. Their team inspired our multinational community, and provided us with the means with which we could bind the tremendously rich mix of cultures in NATO together, and then create genuine transformational change."

Tony Johnstone-Burt
*Former Chief of Staff, NATO's
Allied Command Transformation;
Three Star Vice Admiral (Ret'd)*

"Our partnership with Being First unlocked the tools, language and especially the strategic direction that propelled our transformation into a model that other police services are now adapting for their own success."

Jim MacSween
Chief of York Regional Police
